PREFACE

On the crest of a wave means achieving great success. And so it is, for I have negotiated my issues well and have survived with all my websites intact and had clearance legally to proceed with my work on knowledge development and dissemination on Sunday 27 August 2023, leaving all legal matters safely in the hands of my Solicitors, confident that the process that follows will exonerate me and restore my reputation.

Accordingly, I have purchased 10 more ISBN numbers from Nielson to continue writing my works in the Allurement of Reality Series under the banner of The Conservative Libertarian Publications Limited, a part of The Conservative Libertarian Society with its political offshoot The Conservative Libertarian Party of the United Kingdom.

Last Updated: 12.44 pm (UK-Time) 26 August 2023

An email came from a Indian with the surname Enoch and two lines in Hindi language that I deleted: it was further harassment on me saying in effect that it was still time to pack our bags and go to India.

I texted Jill Jesson at 14.06 pm: 'The medication review from Dr Oranusi dated 3 July 2023 that replaced risperidone with aripiprazole has still not been implemented by the GP Jill'

At 14.17 I texted further: I cannot even trust my own GP and my prostate-related problem of sudden bursts of urination and defaecation is getting worse and worse with still no signs of Urology appointment at Medway Maritime Hospital. It is tough to get on with life.

At 14.34 I texted further: I was going to go to the GP Surgery and have it out with them and also go to the hospital but my wife stopped me saying that I cannot do that and if I do they could call in the Police which is the last thing I want to be happening. I could call 111 NHS to see what can be done about these issues, do you think I should Jill?'

Jill finally replied at 14.38 pm: ' Yes, but be polite and ask for help'.

Me to Jill: My wife is saying to go to Benenden Health Care of which I am a paid up member because the NHS is on its last legs and 111 NHS will only refer me back to my GP'.

Jill to me at 14.51: 'OK even better'

Me to Jill: Thanks for the advice Jill. We are on holiday from 14 September till 22 September and I then have Bail Meeting at Medway Police Station on the 28 September. I will then contact you for a Session on Zoom as therapy if that is all right with you

Jill to Me at 15.01 pm: 'Yes of course. Enjoy your holiday'.

At 15.16 pm I dialled 0800 414 8247 for Benenden Advice Help Line, and spoke to a man who asked my name, address first line, email address and Phone number which I gave. He asked what It is about. I said that I have been waiting for a Hospital appointment for 2 years and they keep cancelling it. I have a urological problem that is getting me to urinate and defaecate with sudden burst. It is the prostate that might be causing it. He said he could fix a telephone consultation for advice at 8.00 pm this evening. I said that this would be fine. I would be available for this call. The call ended.

A text came very quickly to my Mobile Phone from 07401 332573: 'Hi Shantanu Panigrahi, this is confirmation of your phone consultation with a clinician on: Saturday, August 26, 2023 20.00. The clinician will phone you when it is time to start the consultation. If you need to amend or cancel your booking, please contact us the same way you made the booking'.

An email came from Benenden a few minutes later into my Shantanupanigrahi@yahoo.com account:

Review:
 I spoke to Shantanu via telephone for a scheduled appointment on 26/06/23. He described being in crisis over a period of time and has been arrested by police four times in the last 18 months. He said he was accused of stalking, malicious communications and harassment. He tells me that he attended Medway Police Station recently for further questioning. He believes that Trolls hacked into his email and were responsible for all the police have accused him of but the police are not having it. His laptop and phones were taken away by the police. He also informed me that he took the Greenwich

University to tribunal and lost the case. He believes that the state is against him and want to repatriate him back to India but says he is not going anywhere as he will resist them.

He lives with his family and is unemployed. He is undergoing some therapy at the moment and that seems to be helping him to cope with current crisis. He is also planning for holidays with his family to Turkey and India. His appetite is good and sleeps about 4 to 6 hours at night and naps during the day. He smokes about 10 to 12 cigarettes a day but no alcohol or illicit drug use. He is compliant with meds and has not reported any side effects. He is willing to continue taking treatment.

On the phone, he sounded worried but was able to ventilate his mind. His speech was normal in rate and volume but content mixed with delusional ideas. In answer to my question he wondered whether it is because of his illness that he is reasoning the way he is. He described his mood as being up and down and most times feels depressed. He did not express suicidal ideas and there is no indication that he is physically harmful to anyone. In my view, the major risk is that of believing his delusional ideas and acting on them and also being vulnerable on the social media if he continues his exploits on the social media. His insight is limited and does appear to have capacity to consent on his treatment.

The suggested changes which he agrees with is as outlined above. GP to please adjust repeat prescriptions accordingly.

Yours sincerely

(Signed)

Dear Sirs

I had problems dealing with the Independent Office for Police Conduct (IOPC) as it is refusing to accept my email communications saying that I had sent them some emails of abusive content, which I denied: I had tried to reply to IOPC's last email as linked here: IOPC Reference - 2022/173746 (knowledgeassessmentanddissemination.com)

<https://www.knowledgeassessmentanddissemination.com/post/iopc-reference-2022-173746-4>.

Since there has been no emails coming from any source to me on this Saturday afternoon and I am a mental patient as shown in the attached: ON THE CREST OF A WAVE-digital.pdf, I thought that the State was caught in two minds on my fate in the United Kingdom summarised here this morning:

Tweet of Saturday 11.00 am (UK-Time) 26 August 2023 | Daily Bulletin

(knowledgeassessmentanddissemination.com)

<https://www.knowledgeassessmentanddissemination.com/forum/general-discussion/tweet-of-saturday-11-00-am-uk-time-26-august-2023>.

I had applied to North Kent Magistrates Court for £10 million in damages and compensation that Kent Police might be aware of but on the other hand the State may have other ideas, I do not know.

In case Kent Police does wish to go through with the prosecution, I am now once again unrepresented for my Defence for reasons that should be clear in the link: Kent Magistrates Court (knowledgeassessmentanddissemination.com)

<https://www.knowledgeassessmentanddissemination.com/post/kent-magistrates-court>.

It is unlikely that a criminal court has jurisdiction to hear the counter prosecutions or counterclaims for money compensation that I would like.

Although I have been a mental patient for coming on to 20 years having twice been sectioned during this time in mental hospitals, if my actions in terms of communications and publications in websites and in the 139 sections of the autobiographical book 'The Allurement of Reality' have violated the laws of the United Kingdom, I do not wish to use my mental disorder of paranoid schizophrenia to escape the due process of this justice, if the Magistrates decide that this is what should happen at the 10 November 2023, 2 pm Trial Hearing of myself (even though that is for only a Speeding Offence currently, the Court might add others to this). I will just have to grin and bear it as a lesson that I would learn from even though I am 66 years of age and I do not know how much longer I will live.

The sooner the Court can provide me an update on the Case for the full prosecution, I can sit down and produce my Defence specific to the charges that might be levelled against me by Kent Police and the North Kent Magistrates Court.

Thank you for your kind attention.

Yours sincerely

Update

As I was finalising the sending of this email, my Mobile Phone rang twice from a Private Number, which I later found from the Voicemail left was from the GP Surgery, saying just that he was returning my call.

At just before 8.00 pm a text reminder came from Benenden as well as an email reminder of the imminence of the Consultation and this was followed by a the Phone consultation with the doctor on its Advice Help Line. He asked for an explanation as to what I wanted, I told him that I had been waiting for a Urological appointment at Medway Maritime hospital for over two years but it gets cancelled ever few months. I have high Prostate specific antigen and seemingly an enlarged Prostate that causes sudden bursts of defaecation and urination. He said the Prostate may be putting pressure on your bowels. I asked it might be related to my mental health medicaiotns of risperidone that I have been on. Could I have a Urology appointment at Benenden in Cranbrook. He said you are having treatment in the National Health Service, and need to speak to your GP and get a letter of referral first. I asked should I change my medications if risperidone is the cause of the problem. He said he could not tell as he did not have the notes. I asked is there a Urology department at Cranbrook hospital. He said you have to ring the main Benenden number and ask them. OK I said, I am sorry to have troubled you. No problem he said. The call ended.

 and the Hurricane Katrina

Subject Access Request

Once I eliminated WPC 46060134 Michelle Farhall, from my enquiries that is, the connection engineered by this Manipur Manipal jaanbhosadiwale Bhardwaj came to me like a flash.

Writing as Mishii Bhardwaj he began remorselessly attacking me using the Instagram Terroristic Organisation in Manipur Manipal, all the while distracting me from the vile Sale Connection which could be the Heel of Achilles for these fascist dog wankers

That connection is between Independent Office for Police Conduct (IOPC) PO Box 473 M33 0BW Katrina prefect of the Conservative Unionist Party Police Forum

I noticed both are Sale, M33 0BW and Katrina Ha'Penny Shilling's surname.

I have re-engaged Olives as my solicitors, so what have you to say for yourselves about this torture and misrepresentation? Carol and Alexandra?

IOPC's discriminatory ban against me communicating is treated with the same nonchalant disdainful contempt as I do the invalid illegal improper inapplicable Police Bail.

This will now be referred to the International Criminal Court which has superior jurisdiction even over the Kubla Boyfriend Khan of Sale.

Dear Sirs

I have been advised as below by the State authorities that the Bail conditions of me not communicating with Katrina Sale, bp, staff of BLM Law, University of Greenwich and other educational establishments, etc are unlawful, as set out below following the enquiries I made yesterday as attached:

ToKentPoliceForce&EnquiriesAllCourtsICC(ANY NEW ON CASE FOR THE PROSECUTION OF DR SHANTANU PANIGRAHI)26Aug2023.docx; ON THE CREST OF A WAVE-digital.pdf.

In addition to Katrina Sale, University of Greenwich, bp, BLM Law and the IOPC who I am contacting for the Subject Access Request of all the individual emails that they received purporting to me having sent these to them, I need the names and email addresses of the rest of the complainants that I am supposed to have sent malicious communications to and stalked immediately.

I would be grateful if you would kindly provide me with the information that I have requested as lawful course of the due process of justice.

Thank you

When the ultimate reality dawns

in Religion and Philosophy

<https://www.thelibertariandemocrats.com/forum/religion-and-philosophy/when-the-ultimate-reality-dawns>

Once one reaches the point where one realises that there is no God who wishes human beings to live out their lives in a particular manner, one starts to live freely in total liberation.

How does one reach this state of realisation: from perseverance steadfastly on a truth path covering all subjects and issues that one comes across and living to find what is there and what was a insecure and weak raison d'etre born of ignorance in terms of not having the knowledge at first hand that we are all human beings, highly evolved to live freely.

This does not question whether there is a God as Creator of what Hindus call Brahman, the universe, but it sees that there is no God as Preserver of that same universe.

Nadine Dorries resigns as a MP after all was said and done

in Political Forum

<https://www.thelibertariandemocrats.com/forum/political-forum/nadine-dorries-resigns-as-a-mp-after-all-was-said-and-done>

Nadine Dorries did not get on with the new Prime Minister and Leader of the Conservative Party who is more of a manager than a leader with Conservative and Unionism principles and was instrumental in bringing down Boris Johnson to pave the way to getting the be the Leader without a vote of the membership of the Party:

Nadine Dorries resigns her seat as she accuses Sunak of 'whipping a public frenzy against her' (msn.com) <https://www.msn.com/en-gb/news/uknews/nadine-dorries-resigns-her-seat-as-she-accuses-sunak-of-whipping-a-public-frenzy-against-her/ar-AA1fOF7N?ocid=msedgdhp&pc=U531&cvid=d409f22d70f44d32a0571b2bd0e826de&ei=39>

She could not continue with Parliamentary politics after being denied a peerage which she saw was conducted underhandly.

So a good Member of the Conservatives was finally shown the way out.

Donald Trump tests the State of the Justice System in the United States to the full

in Political Forum

<https://www.thelibertariandemocrats.com/forum/political-forum/donald-trump-tests-the-state-of-the-justice-system-in-the-united-states-to-the-full>

Who knows the reality of what went on at the 2020 presidential elections in the United States: winners smile with glee and losers either fade into the background or like Donald Trump do something positive still with their freedom of speech to expose the reality of the political and judicial system that they find themselves in their countries:

So Donald Trump is doing something very objectively. He has named his Social Media platform as Truth Social so that is what he is pursuing in the interests of the country in terms of the future development of democracy in the United States.

Dear Citizens Advice Bureau

For two years I have been pursued by Kent Police being arrested 6 times and had family property of computers, Mobile Phones, USB Memory Sticks and Amazon pads as well as paper files seized from our home under some alleged suspicion that I had been responsible for malicious communications and stalking.

I had a Duty Solicitor in Olives Solicitors who disappointed me with their services,

The matter has come to a head as attached: ToKentPoliceForce&EnquiriesAllUKCourtsICC(ANY NEWS ON CASE FOR THE PROSECUTION OF DR SHANTANU PANIGRAHI)26Aug2023.docx; ON THE CREST OF A WAVE.pdf; which you should find self-explanatory.

I would be grateful if you would look into this matter and advise me of what I should do in preparation for the 10 November 2023, 2 pm Trial Hearing in the circumstances that no details are being sent to me of what the charges are that I face despite attempts to get this information as linked here: Automatic reply: Making the connections between the criminals (knowledgeassessmentanddissemination.com)

Dear Sirs

1. I wish to remind you that I never had the matter of my Health improprieties that I complained to the Parliamentary and Health Service Ombudsman (PHSO) reach a satisfactory conclusion, where in I state that I am a sane human being, being falsely judged to be paranoid schizophrenic something that has been reinforced recently as attached:

FrBrittonHouse(CAREPLAN_DrEmmanuelOranusi)3July202312Jul2023.docx.

2. While the PHSO continues to deliberate over this complaint against the NHS and I await your reply to this, further issues have cropped up with my relationships with the Samaritans and the Citizens Advice Bureau (CAB) that I have complained to the Charity Commission about today. My first complaint to the Charity Commission against the Samaritans however deposited three years ago but it was not even acknowledged in writing or by telephone communication by the Commission and I wait to see whether today's representation will meet the same fate. Similarly, the CAB was approached by me in 1998 first in relation to legal advice and representation at the employment tribunal in Ashford Hearing Centre against the University of Greenwich which had dismissed me from service after 18 years underhandedly without my £55,000 severance payment. CAB failed on that occasion and also subsequently on another associated matter.

3. I would be grateful if the PHSO combine these complaints as a single complaint of State interference in my circumstances in the United Kingdom.

Dear Dr Shah

I am referring to two missed calls on my Mobile Phone from a doctor on which Voicemails were left but no information other than stating that the call was made to return my call.

My concern is that I have been falsely judged repeatedly as a mentally disordered person suffering from various ailments like persistent delusional disorder, paranoid schizophrenia, bipolar with delusions, depression, and autism.

While there had been some doubt in my mind I have studied the matter closely and today I do not regard myself as suffering from any such mental illness that Britton House and even a psychotherapist Jill Jesson has said to be a 'split mind' whatever that means.

I tried to set up a eConsult consultation with the Surgery 10 minutes ago but it was closed for the day. So I am instead writing to you for the record.

I reject the CARE PLAN Imposed on me by Britton House as attached:
 FrBrittonHouse(CAREPLAN_DrEmmanuelOranusi)3July202312Jul2023.docx

The medications for mental conditions taken over decades have caused me severe physical health problems.

The Parliamentary and Health Service Ombudsman has been complained to again this morning.

All decent Brits can see the unfairness in swathes of illegal migrants getting more support from the Govt than they do.

Thousands and thousands of foreign young men, most of whom are not in genuine need of help, put up in fancy hotels with all bills paid.

A total mockery.

All decent Brits can see the unfairness in swathes of illegal migrants getting more support from the Govt than they do.

Thousands and thousands of foreign young men, most of whom are not in genuine need of help, put up in fancy hotels with all bills paid.

A total mockery.

Dear Dr Shah

I am referring to two missed calls on my Mobile Phone from a doctor on which Voicemails were left but no information other than stating that the call was made to return my call.

My concern is that I have been falsely judged repeatedly as a mentally disordered person suffering from various ailments like persistent delusional disorder, paranoid schizophrenia, bipolar with delusions, depression, and autism.

While there had been some doubt in my mind I have studied the matter closely and today I do not regard myself as suffering from any such mental illness that Britton House and even a psychotherapist Jill Jesson has said to be s 'split mind' whatever that means.

I tried to set up a eConsult consultation with the Surgery 10 minutes ago but it was closed for the day. So I am instead writing to you for the record.

I reject the CARE PLAN Imposed on me by Britton House as attached:
FrBrittonHouse(CAREPLAN_DrEmmanuelOranusi)3July202312Jul2023.docx

The medications for mental conditions taken over decades have caused me severe physical health problems.

The Parliamentary and Health Service Ombudsman has been complained to again this morning.

Hello,

Thanks for your kind response and as a matter of fact, I am very happy to read your message, however, I really want to establish a true relationship that may lead into a business partnership and love. It is my pleasure meeting you, I hope all is well with you. My name is Lt. Sarah Ritterhouse, I am 27 years old, single, and never married before. I am a United States military officer currently in Syria, for peacekeeping mission, i will like to get acquainted with you, I am a loving, honest and caring person with a good sense of humor, I enjoy meeting new people and knowing their way of life, Enjoy watching the sea waves and the beauty of the mountains and everything that nature has to offer.

My dear, I want you to know that we are being attacked by insurgents with guns and car bombs. During one of our rescue missions, we came across a safe box that contains huge amount of money that belongs to the supporters of the Islamic State Extremist group (ISIS) and rebels of the government, which I believe was money meant for buying weapons and ammunition, and it was agreed by all Army officers present on that rescue mission that the money will be shared among us and which we did.

Out of the total fund my share was \$4,500,000 (Four Million Five Hundred Thousand United States Dollars) I am seeking your assistance to evacuate my share of the money out of this country (Syria) to your own country for you to keep it safe on my behalf till i come over to your country, So i want you to assure me that if this money is delivered to you in your country that i can trust you to keep the money till when i will come to your country to meet you face to face to collect the money back from you.

I know you might be scared of this proposal, but I want to let you know that I have made solid and legal arrangements with a foreign Shipping and security company here and they have promised to deliver the fund which I packaged to look like a mere gift box through a diplomatic method to any destination of my choice.

This delivery is going to be handled legally by the Shipping and Security Company and there will not be any form of risk involved in the process and the money will be packed safely in a trunk box and the same box will be delivered to you in your country. I have decided to compensate you with 30% of the total money once after the money is delivered to you, while the rest shall be my investment capital in your country.

One passionate appeal I will make to you is not to discuss this matter to a third party, please keep the shipment top secret, if you do not want to be a party to this business, please delete this letter from your email box to avoid any leakage of this information and it will be dangerous to me based on my position here. I have chosen to contact you after my prayers and I believe that you will not betray my trust nor thwart my dream, though you may wonder why I am so soon revealing myself to you without formal introduction, well, I will say that my mind convinced me that you are the true person to help me in receiving and investing this fund.

Note; I do not know how long we are going to remain here and my fate since I have survived two bomb attacks here, which prompted me to search out for a reliable and trustworthy person to help me receive and invest the Fund, because I will be coming over to your home country to invest and start a new life not as a soldier anymore.

I hope my explanations are very clear but if you need further clarification just let me know and I will explain further. I want to let you know that here in the military zone we are not allowed to make use of mobile phones, we only make use of radio message and email communications, so please let us continue communicating through email for the meantime.

Conclusively, I wish you could send me a reply immediately in regards to this proposal, your urgent reply will be highly appreciated.

I await to receive your acceptable reply as soon as you read this letter.

Much Love
Lt. Sarah Ritterhouse

So forced these four outstanding email documents into the Court proceedings for the rest of the day and until the 4th of September when I get the report of KMPT PALS that is promised. Did not acknowledge the KMPT PALS email until it is required to be used in Defence/Attack: defence is the same as attack when I is trying to secure £10 million in damages and compensation and avoid a criminal record through medical cover if that is what KMPT PALS will produce. The ball is in the North Kent Magistrates Court firmly with the reference to the last blogpost and the rest of the emails blogged. Kent Police is nowhere to be seen now since it did not respond to email yesterday evening: I will see who moves next.

Dear Jo

You know that I am a mental patient on enforced mental 'disorder' medications imposed on me by Britton House and find it very difficult to communicate through filling in forms in websites which do not allow me the latitude to express myself clearly when the mind seeks clarity of vision; so the first step towards resolution of my complaints made on two occasions to the Charity Commission is for the Samaritans to reopen this email line of communication that you had closed on me so that I can freely without hindrance of any kind set out my concerns in detail.
